FRESHMEN-(1976-1977)

Here we were, finally in high school! We all started our first year with American Experience and began to wonder if we'd make it through one year, never mind four. Booster Day, however, was a big success for us. The theme was Sesame Street and our float, Super Grover, took first place. The football team won the game, and Ann Thompson represented our class as Lady in Waiting. Another first place we captured this year was in the Turkey Day floor decorating contest. Unfortunately we did have our disappointing moments. Does everyone remember ordering class T-shirts? After we washed them once, the insignias came off. At the end of our freshman year, we realized we were one ... eager to start as sophomores.

SOPHOMORES - (1977-1978)

Our sophomore year started out great. It all began with Booster Day. The theme this year was the Looney Tune Gang. Our float was Pepe le Pew and again we captured first place. Winning two years in a row was unbelievable. Our slogan,"Pioneer isn't worth a scent," was quite clever and, of course, true, for Turners won the football game 40-0. Diana Cusak represented our class as Duchess. Speaking of winning, we also won the floor decorating contest again. This year we ordered our class rings. Remember how late they were? two and one-half months to be exact! We also designed a different Indian for the side of our ring. "Different" is a word that definitely describes the class of 1980. Do four guys remember spending five days of their sophomore year at home for _____, in Canada? This was such a fun year for us. At rallies we were proud because we were a together class, we could even spell "sophomores" correctly. As our sophomore year ended, we didn't even realize we were halfway through.

JUNIORS - (1978-1979)

Our junior year proved to be a busy one. We were almost at the top of the ladder. By now we realized we were a very ambitious class. Our statistics proved it. Booster Day seemed to come so fast this year. The theme was Disney World and our class picked Winnie the Pooh, which won second place. Theresa Demars represented our class as Princess in the Queen's court. The football team tied this year but we were still ecstatic because we were great underdogs. Saturday night we were psyched for the Booster Day dance and of course we had an excellent time.

Turners Falls won the Turkey Day Game this year and our class once again, won the floor decorating contest. Our cheerleaders this year fared extremely

well in tournament competition. Junior girls including, Lil Cadran, Jackie Cummings, Tracey Koscinski, and Doreen Winslow were part of the excellent Varsity Cheering Squad. As the year progressed we began to worry about our prom. The theme song, "Somewhere in the Night", was finally picked after alot of controversy. The prom was held at the French King Restaurant, May 5, 1979. We thought it was a great success except for the dance floor,(Too small). Remember how fun it was getting dressed-up? Everyone looked so different. Remember the party afterwards? I don't think anybody got home before ..... ? At the end of our junior year we couldn't believe we had come this far, however, we were ready, anxious, and eager to be NUMBER ONE. (SENIORS)!!!!!

SENIORS-(1979-1980)

Are we really seniors? At the beginning of the year everyone kept coming up to us and asking us how it felt to be seniors. Our answer was, "Well, it feels the same", but finally after we got our senior privileges, had a few class meetings, decided on our yearbook theme, had senior pictures taken, terrorized junior high kids in our hallway, cut in front of the lunch line, and got ready for SAT's, we had the incredible feeling of senior power. Our Booster Day went over great. The football team won 35-0, and the weather was good for once. The theme was The Muppets. Our float, Miss Piggy, only took second place. We were so disappointed for we knew it was the best float we had ever made, and Miss Piggy would always be #1 to us. The 1979 Booster Day Queen representing the senior class was Karen Letourneau. Remeber Karen getting escorted out of the limousine during half-time at the football game, by Mike Zamojski? We were all very proud of her. We had so much fun this year and the time really flew. Seems like just yesterday we were all cheering along with Lewi Collins at the Booster Day Rally.

Remember how rowdy we got when Lewi spelled out S-E-N-I-O-R-S with HIS BODY!!! It was one of the best rallies in a long time, especially with Bob Viens as master of ceremonies.

As graduation grew closer, we realized we were the beginning of something(the 80's) not the end, for the end meant nothing. Our class was definately something, something to be proud of that is! The class of 1980 would leave its mark on TFHS as being a class of togetherness, a class of change, a class of integrity, a class that *will* succeed. We will leave with many memories that will stay with us always.

STUDENT GOVERNMENT

Good Luck To The Class Of 1980
From The Student Government

While you may not think of the town of Greenfield as being world renowned, it is because for over 108 years thread cutting tools and gages have been shipped around the world with the word "Greenfield" imprinted on them.

We are very proud of this fact as it is the high quality of Greenfield tools that has enabled us to make the world GTD's customers. But more importantly, we are proud of the people who make these tools. For over five generations people in this area have been demonstrating their skills by producing a line of thread cutting and gaging tools that are the finest in the world.
